Dear NBYC Members,

Happy Memorial Day Weekend! Another summer at our beloved Normandy Beach Yacht Club is upon us. I am thrilled to be your Commodore this year. Working alongside me will be Vice Commodore Brendan Maher, Rear Commodore Jim Dunckley and Fleet Captain Chris Eler.

Social Calendar

The goal this year is to build on last year's success with the Club License and have the club open even more this summer. In fact, the club will be open just about every night in July and August. We have Men's Card Night Mondays (Tom Flynn), Bridge on Tuesdays (Janey Roesnberg) and MahJongg (Pat Cubberly) on Wednesdays. Thursdays through Sundays are packed with events, including Dinners, Parties and Sailing events all with the Bar open.

The club has already been busy this Spring, kicked off with a festive Cinco de Derby Party hosted by the McCurdys as well as two well-attended Sunset Cocktails, hosted by Converys and Flynns. This weekend we have Pub Night on Saturday and Sunday the Bar and Galley will be open for use by members and their guests. The Sunset Cocktails will continue through the first Saturdays of June.

The 2018 NBYC season will officially kick off with the Commodore's reception on June 23rd. Please mark your calendars for a night of delicious food provided by your Line Officers.

The social calendar this year will include many perennial favorites, such as Beefsteak Dinner hosted by the Zuzis, Fiesta Night hosted by the Gates and Lobster Night once again hosted by the Chuhinkos & Kirbys. We are thrilled to announce the revival of Greek Night, hosted by the Drizos Family and the addition of Retro Night, hosted by Janet Keating, with food provided by Local Smoke.

Families can look forward to the traditional Fourth of July Picnic, a World Cup Party and the very popular College Football Party as well as several Open Grill Nights and Thirsty Thursdays.

Back by popular demand, the NBYC House Tour will be help on July 19th. Sundays and a few Saturdays are filled with sailing races, come by and enjoy the view while enjoying one of Steve's signature cocktails.

Once we get past Labor Day, Sunset Cocktails will resume as well as a few parties including Oktoberfest and the NYBC year ending Thanksgiving Party.

Last but not least, it is important to remember volunteers have always been the cornerstone of our club and its events. Please remember to thank the members who host events. There are still plenty of opportunities to get involved and please let me know if you'd like to help. On that note, I'd like to thank the Social Committee for all their help putting together this schedule. I'd also like to thank all the families that have already volunteered their time and talents to feed and entertain us again this summer. Finally, I'd like to thank Steve MacPeck, who has been invaluable putting together this summer's schedule.

Sailing

We have another exciting year planned on the water. Vice Commodore Brendan Maher with the help of his Sailing Committee has put together a busy Sunday racing schedule, including the 3rd year of Mid-Bay Championship vs. LYC and SAYC. Steve and Betsy Foster will host the Sanderling Regatta again this year. On July 26th through 28th, NBYC is the Co-Host of the Sandpiper National Championships which will be sailed on the water in front of NBYC, just past the island.

Junior sailing is once again being organized by Linda Graham. Lessons start the week of June 25th and runs eight weeks through the week of August 13th. Lessons are available for children as young as 6 and for all levels of ability.

The full NBYC 2018 Social Calendar will follow this email.

Looking forward to enjoying the summer at NBYC,

Peter Schwartz
